WHY ASIAN?

BELIEVE THE HYPE

Consumers are looking to try new Asian options. With Schwan's Food Service, you can capitalize on their curiosity.

3RD

Asian Cuisine is the **third most** craved cuisine for customers looking forward to dining out this year.

(Datassential Report 17)

54%

54% of surveyed customers said they would try a restaurant specifically for a BYO noodle or rice bowl.

(CJ Schwan's Proprietary Research, Datassential Asian 2.0, 2020)

OVER
50%

Over 50% surveyed see a BYO soup station as a unique menu offering.

(Datassential Report 17)

TOOLS TO HELP ON THE JOURNEY

CJ Schwan's has what you need to make your Asian concepts successful, no matter the challenge.

ASIAN RECIPES AND COMBO MEALS

From new Asian-style entrées to easy add-on appetizers and sides that grow checks, our team has you covered.

- On-trend, simple-to-execute recipes that pair our products with your pantry.
- Asian-style appetizers that work across a variety of equipment.
- Entrée solutions that create a base for your signature touch.

BUILD YOUR OWN (BYO)

BYO means more than burrito bowls and salad bars. Use our creative concepts to deliver the exciting flavor and customization patrons crave.

- Explore a range of international cuisine with rice and noodle bowls.
- Bring Ramen shop appeal to your operation with hearty soups.

WOK TO ORDER

Offer the ultimate in fresh customization. Our chefs have developed concepts that add variety to classic Asian action stations.

- Avoid menu fatigue with multiple cuisines — Japanese, Chinese, Korean.
- Excite patrons with fried rice and stir fry concepts.
